Whatever you think.

Thanks

Susan

Subject: 2nd thoughts about lobby candle-lighting

Dear Susan, Marilyn, and Cliff,

I am having second thoughts about communal candle-lighting, because of COVID-19. If we gather in the lobby, we would have to be very spread out, in order to maintain social distancing. I think that it would be awkward to be blocking the paths to the ramp, the stairs, the elevator. Maybe we have to hold out for a year when we can stand closer together. What are your thoughts?

Debby
