Chodosh Information - Oats

July 14, 2020 - Information from from Mrs. Rosskamm, The Guide to Chodosh, Hot Line 718-305-5133. Email: yherman20@gmail.com

"The oat harvest has started. For those who stock up on oats, please do so now. At this point, there are NO chodosh oats on the market. The pace of the harvest and milling will determine when chodosh oats will actually reach the market. At this point, an estimated cut off date for oats is July 20th with a purchase date of July 29th. This date is estimated and can change based on many factors such as the weather on the plantations and the progress of the harvest which has been affected by Covid-19. "

"The spring wheat and barley harvest have not yet begun. "

"Updates will be issued in about a week, based on the progress of the harvest."
