Take care of your post-Pesach essential shopping now.

Our Chometz Box will contain 4 Challos, 1 bag of 6 Challah rolls, a Mezonos pastry (either a kokush cake or a bag of rugelach), all fresh-baked from Gelbsteins; and 1 box 18-inch frozen pizza, and 1 box 18-inch 'four cheese' frozen pizza from Pizza on the 9 (each box contains 8 slices). All items in the Chometz Box are under KCL Hashgocha.

According to Rabbi Forchheimer, you may order now before Yomtov, without concern for Chometz She'avar Al HaPesach. He also says that you are permitted to order on Chol Hamoed too without concern for Isurei Chometz, and you may pay for your order on Chol Hamoed too without issurim.

Please note that there is no guarantee that the flour in these baked items will be from "new flour" picked up after Yomtov from an aino Yehudi.

We are making every effort to secure adequate supply but can make no guarantee and are doing our best. If we run out of supply we will post that on this website. If our website accepts your order that means your order is confirmed and that you will have your order.

Please note that Gelbstein's will not be opening Motzei Yomtov and Friday Isru Chag to the retail public, as they are devoting their entire team to the Chometz Box.
