“The whole event was incredibly impressive. From the technology platform, to the speakers, to the ability to chat to teens from all over the world. It seemed so well organized, easy to navigate and inclusive.”

“Thank you to BBYO for adapting and giving teens around the world an opportunity to connect and engage with one another.”

“I am so grateful to BBYO and how you have been able to pivot and create this amazing virtual community during the pandemic. BBYO has been the biggest, most positive influence to my daughter this year. Kol Hakavod!”

hannah_c_osh BBYO, thank you for giving me lifelong best friends, an incredibly loving chapter, unforgettable experiences, and the best three and a half years of my life. I'm going to miss you.
